

# Eco Solvent 1.8 m Inkjet Printer

## RJ 3180N

Low Cost, Long Life,

Two Sets of  
**EPSON 3200 Printhead**

### Features

- Micropiezo Printhead, which support variable dots technology, max 1440 dpi output.
- Mute Linear Guide Rail, which makes carriage movement stable and smooth.
- Self-designed Carriage Maintenance Station, which cooperates with peristaltic pump and make ink pumping fluently.
- Integrated BL DC Servo Motor, whose lifespan is longer and stability is more excellent.
- Unique 2D Edge-feather Function, which helps cover bandings caused by nozzle missing.
- CAD Output, compatible with CAD draft output and help you extend business field.
- Bulk ink Supply System, transparent ink tank is used, which is convenient for filling ink.
- Compatible with different RIP software. Maintop, Photoprint, Onyx are optional.

Indoor and Outdoor Printer  
**Peak of Eco Solvent Printer**

Printing Speed ( square meters per hour)

**TECHNICAL PARAMETERS**

|                        |   |
|------------------------|---|
| Model                  | RJ 3180N  |
| Print Head             | 2 EPSON 3200 Printhead, Auto cleaning, flash moisturizing.                |
| Print Width            | 1800 mm   |
| Print Media            | PP, PVC, Vinyl, Backlit, Mesh, etc.                                       |
| Computer Configuration | Operate System: Win7/Win8, i5 processor                                   |
| Optional Device        | Intelligent Dryer, Auto Feeding and Take-up System, Anti-Collision System |
| Work Environment       | Temp. 15°C-30°C Humidity 35%-65%  |
| Machine Size           | 2800 x 830 x 1350 mm  |
| Ink Type               | Water-based, Eco Solvent Ink, CMYK  |
| RIP Software           | Maintop 6.0, Photoprint 13, ONYX 18                                       |
| File Format            | JPG, TIFF, BMP, PDF, etc.   |
| Power Supply           | 50/60 HZ, 220V, 10A   |
| Machine Weight         | 240kg   |

| Print Resolution & Speed |                     |
|--------------------------|---------------------|
| 3 Pass                   | 55m <sup>2</sup> /h |
| 4 Pass                   | 40m <sup>2</sup> /h |
| 6 Pass                   | 30m <sup>2</sup> /h |

\*Tested on linear print without feather
